There are families being adversely affected by loss or reduction in the regular income.

With the directions from BOD, we are trying to identify and extend support to those who are affected in the Indian School Jalan family. If anyone needs help in this regard, kindly register your name and contact details with the following helpline ID:

Contact person; Mrs. Neetha Sajan; Mobile No: 99596474, Email ID: isjalan@yahoo.com

On receipt of the request from the deserving parents, the list will be sent to the BOD, Indian Schools in Oman for obtaining permission from the Indian Embassy, Muscat. Further, with their consent we will make arrangements to distribute food/provision kits to those families.

We are happy to inform that the SMC has taken a decision to waive off the Term fee **(RO 10.000)** for all students. If anyone has already paid the special fee in April, this amount will be adjusted to the fee for the coming months. This is in additions to the fee relaxations as mentioned in the previous circulars.
